

CALL FOR NOMINATIONS

MAC MEDALS AND AWARDS

Nominations for the MAC medals and awards are due December 31. Assembling the documentation to nominate a colleague takes time and energy but the reward of seeing outstanding scientists recognized more than repays the effort.

- The [Peacock Medal](#), formerly the Past Presidents' Medal, is awarded to a scientist who has made significant contributions to the mineral sciences in Canada; there is no restriction regarding nationality or residency.
- The [Young Scientist Award](#) recognizes a scientist who has made a significant international research contribution in a promising start to a scientific career. The areas of research considered are of those covered by the Mineralogical Association of Canada.
- The [Berry Medal](#) recognizes distinguished service to the Association in leadership or long-term service in an elected or appointed office.

Check the [terms of reference](#) on our website.

The deadlines for nominations are as follows:

Peacock, Young Scientist, and Berry Medals: **December 31, 2017**

Please forward your nomination(s) to:

Ron C. Peterson
