

Appendix B.1 Backscatter electron (BSE) images of tourmalines from border zone

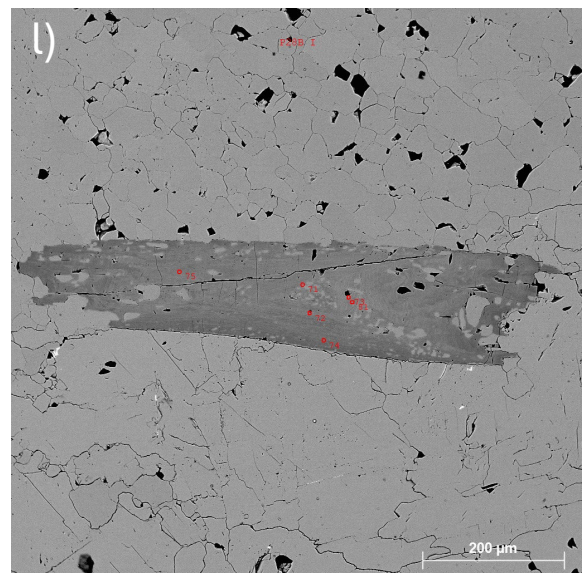

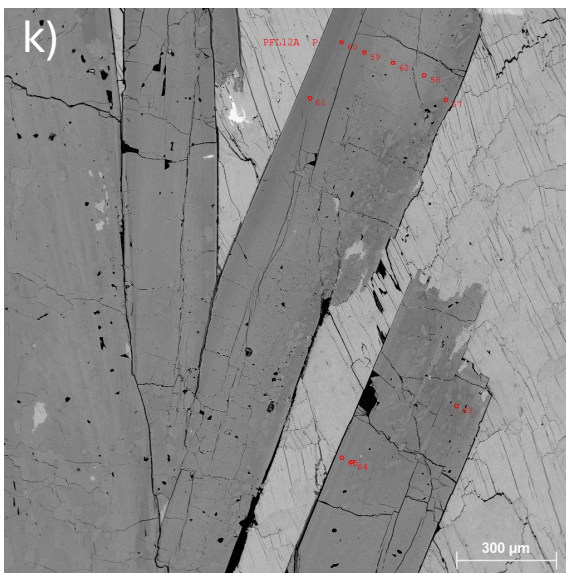

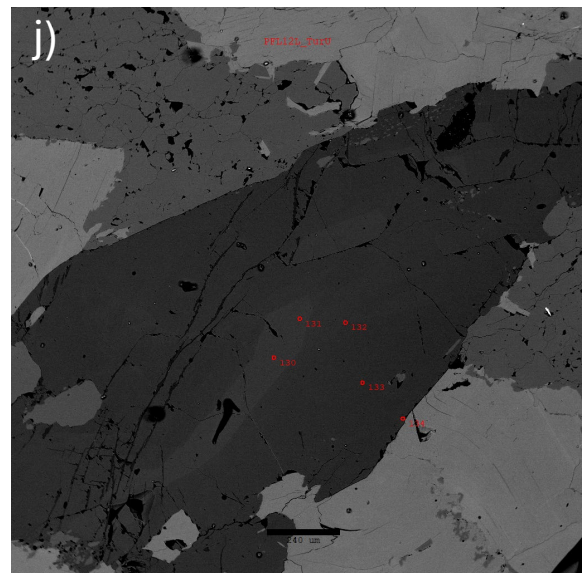

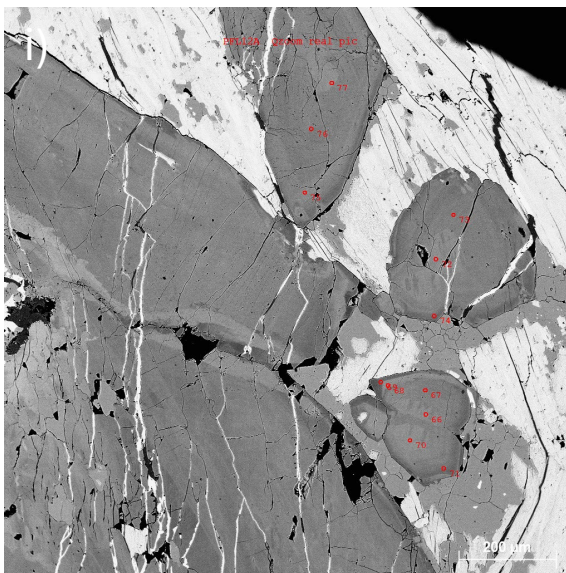

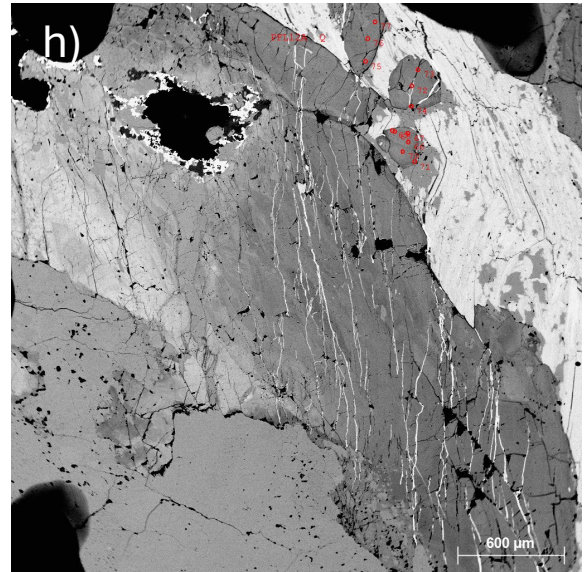

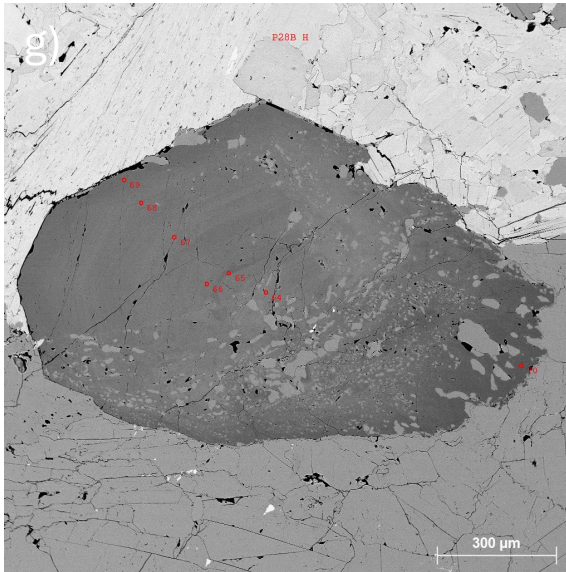

Appendix B.2 Backscatter electron (BSE) images of tourmalines from intermediate zone, graphic subzone

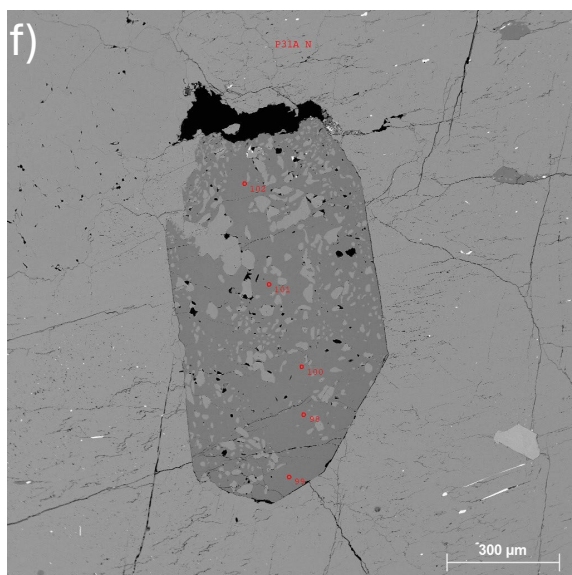

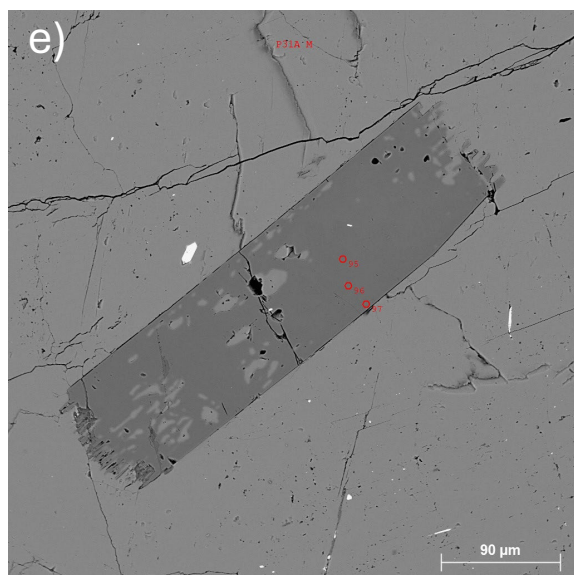

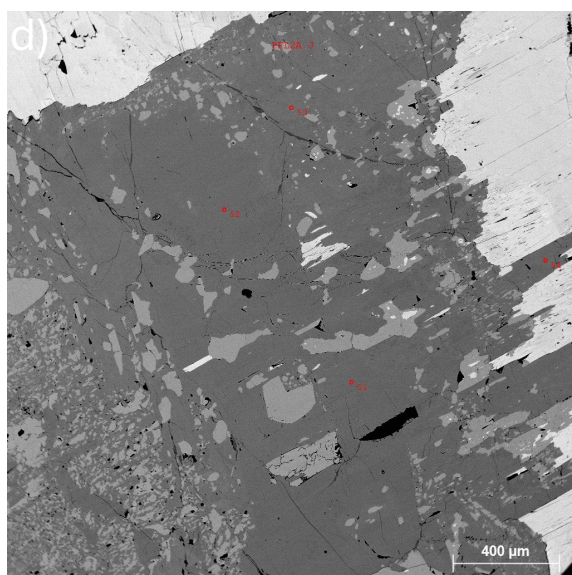

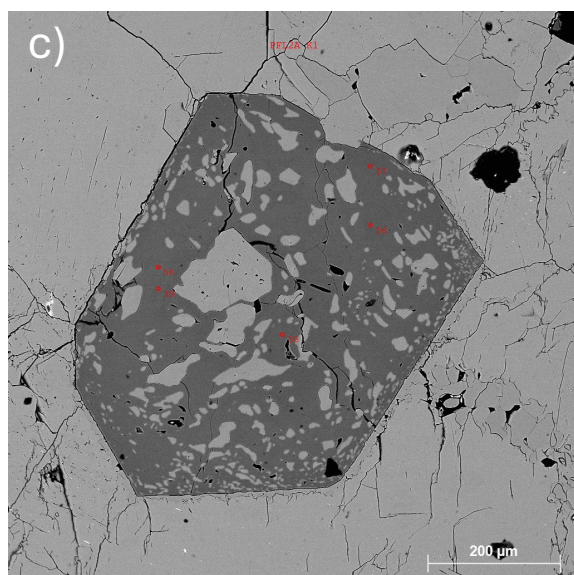

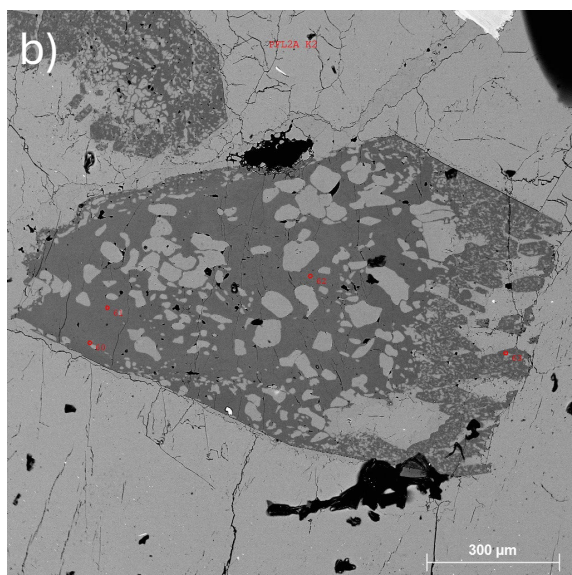

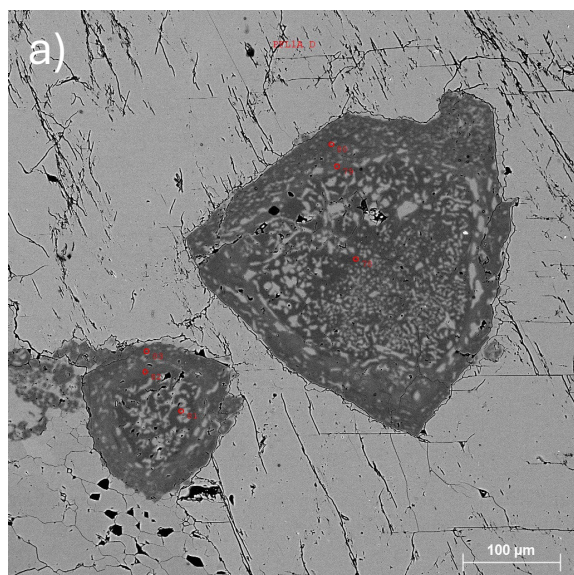

Appendix B.3 Backscatter electron (BSE) images of tourmalines from intermediate zone, overgrowth subzone

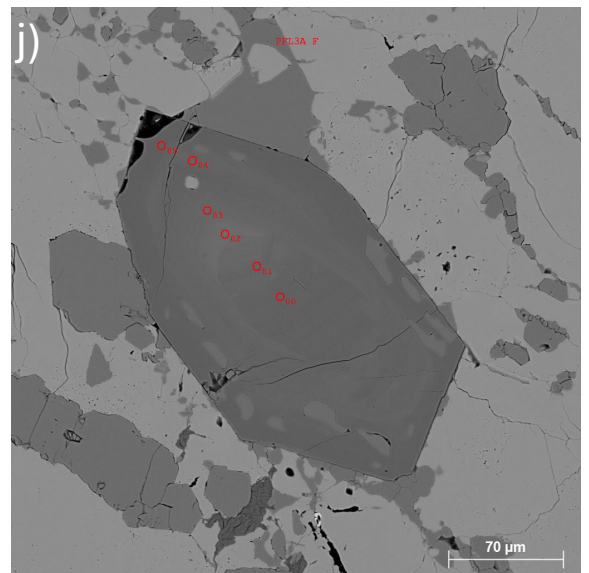

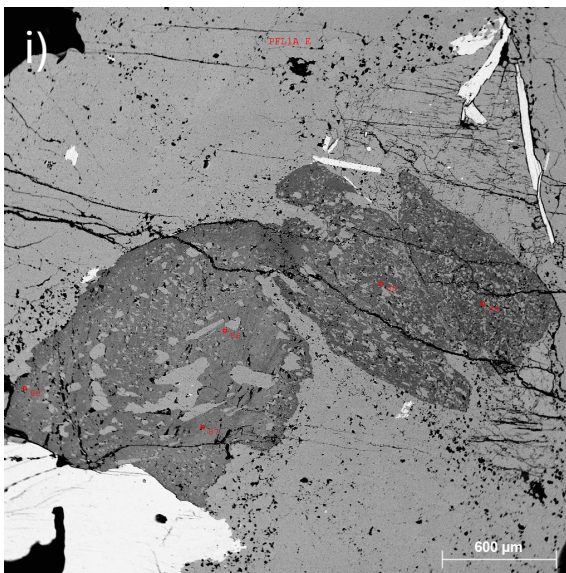

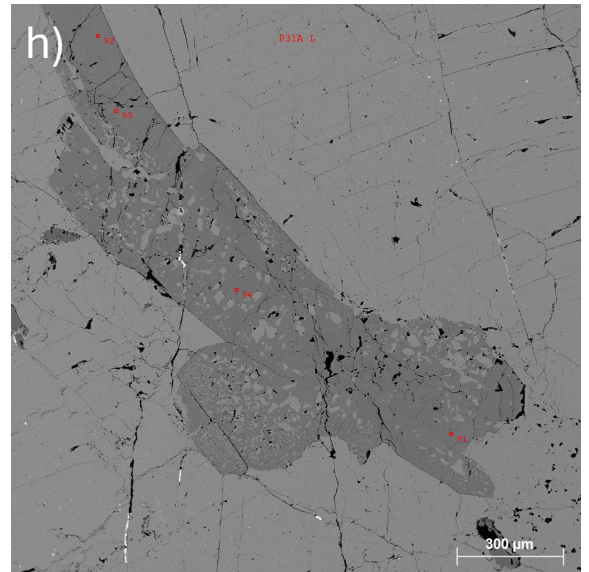

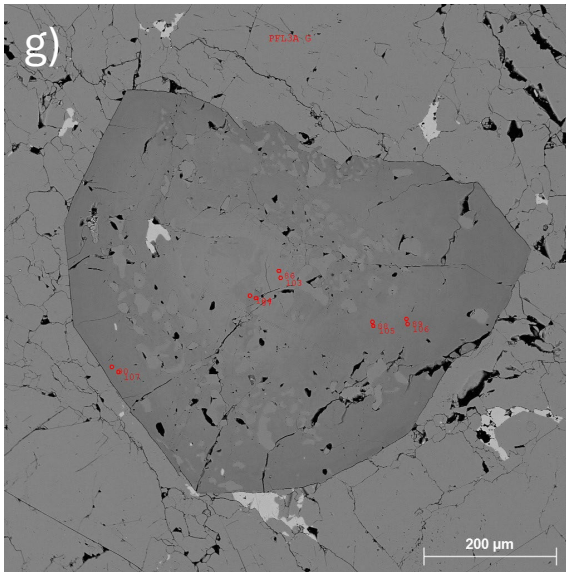

Appendix B.4 Backscatter electron (BSE) images of tourmalines from central zone, distal tourmaline subzone

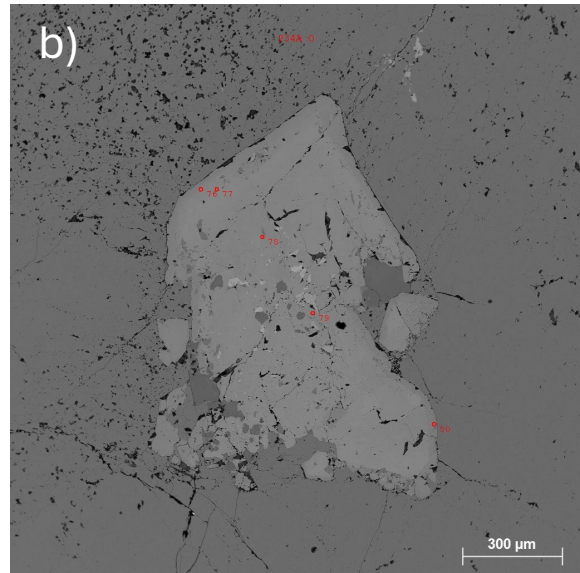

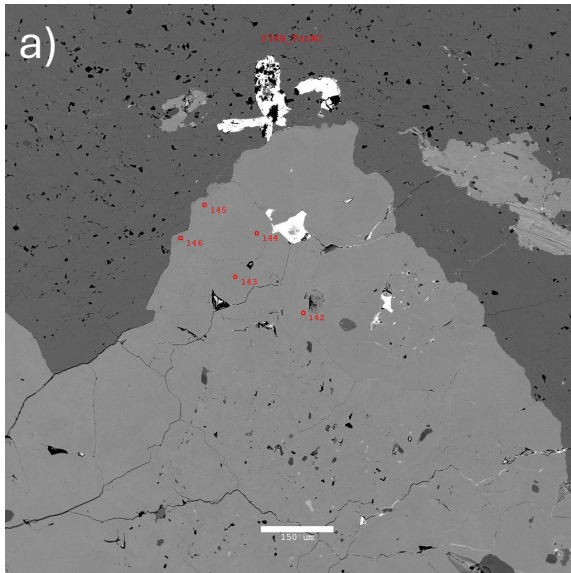

Appendix B.4 cont. Backscatter electron (BSE) images of tourmalines from **central zone, distal tourmaline subzone**

Appendix B.5 Backscatter electron (BSE) images of tourmalines from central zone, core subzone

Appendix B.5 cont. Backscatter electron (BSE) images of tourmalines from **central zone, core subzone**

Appendix B.6 cont. Backscatter electron (BSE) images of tourmalines from **quartz zone**
